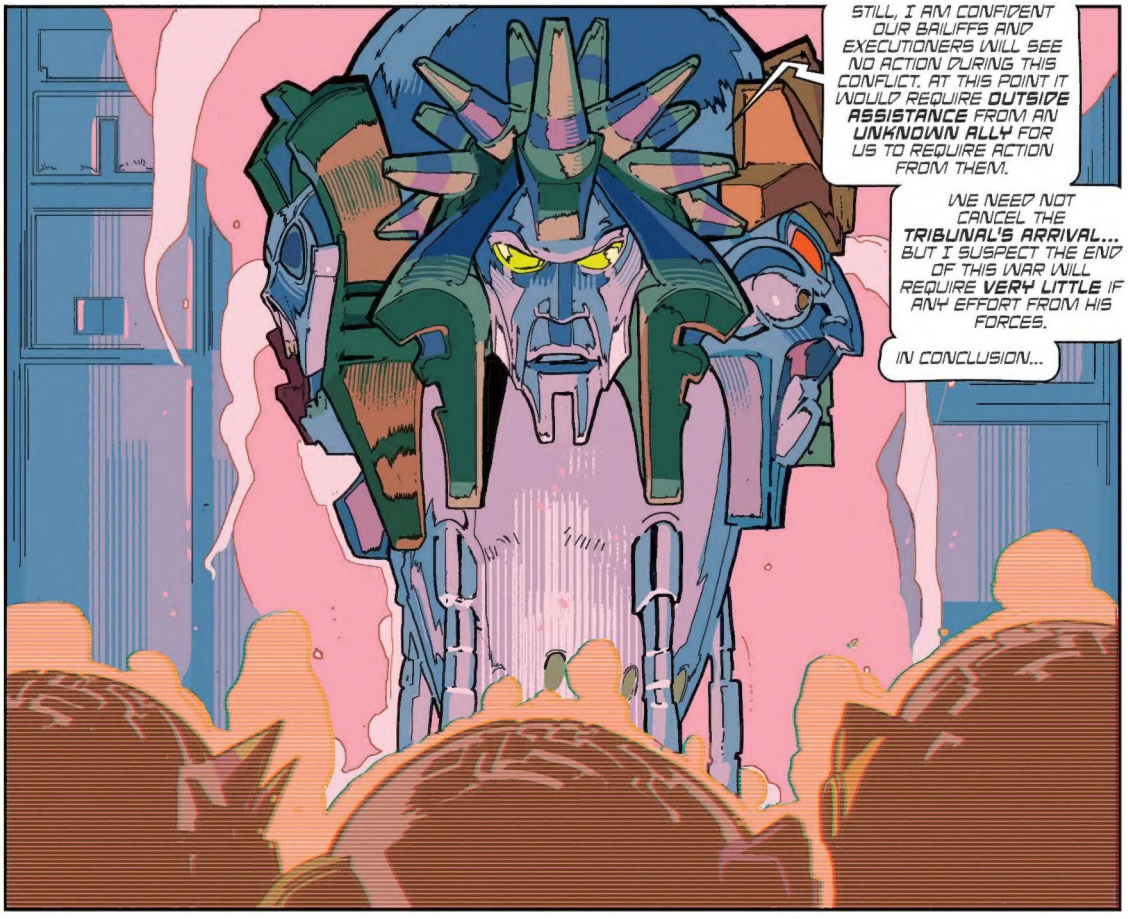
HURRY.
THERE IS NO TIME.
NICE TO SEE YOU AGAIN.
HELLO THERE YOURSELF.
IS THIS GOING TO HURT? YOU KNOW WHAT, MAYBE JUST DON'T TELL ME.
IT WILL FEEL STRANGE, BUT IT SHOULDN'T HURT.
MUCH.
I TOLD YOU NOT TO TELL--

AGORRIA.

ZERTONIA.

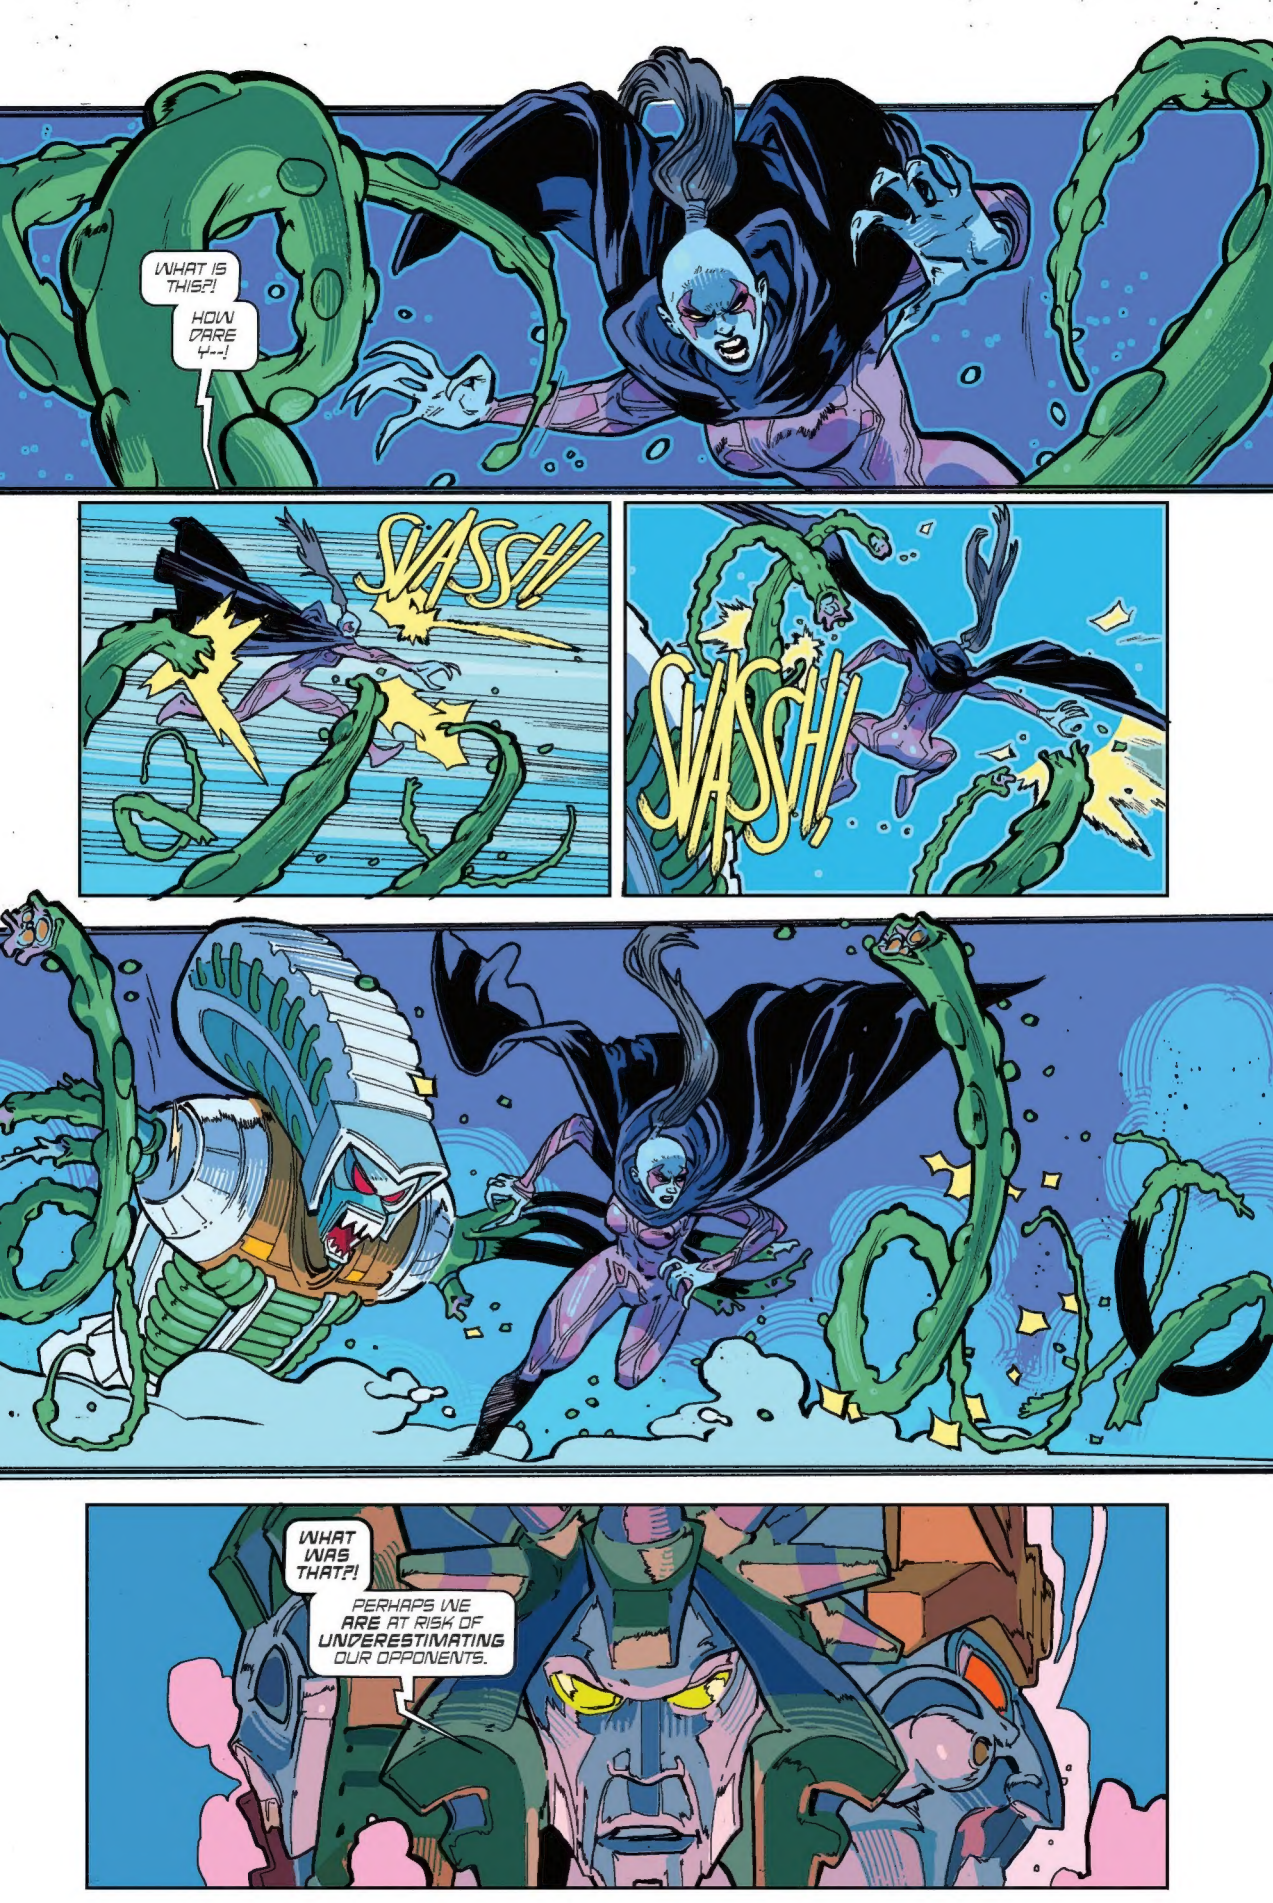
THIS IS JUDGE MAKMUN REPORTING TO ALL OTHER RANKING QUINTESSON JUDGES.
OUR **SHARKTICON** PLATOONS ARE LAYING WASTE TO WHATEVER DEFENSES THESE PRIMITIVES HAD. THE WAR EFFORT SIMPLY COULD NOT BE GOING BETTER.
WE HOLD OUR ALLICONS IN RESERVE, BUT I STRONGLY FEEL THEY WILL NOT BE NEEDED. ALTHOUGH THEIR FORCES ARE ORGANIZING AGAINST US AND MAY PROVIDE MORE RESISTANCE SOON.



STILL, I AM CONFIDENT OUR BAILIFFS AND EXECUTIONERS WILL SEE NO ACTION DURING THIS CONFLICT. AT THIS POINT IT WOULD REQUIRE **OUTSIDE ASSISTANCE** FROM AN **UNKNOWN ALLY** FOR US TO REQUIRE ACTION FROM THEM.
WE NEED NOT CANCEL THE **TRIBUNAL'S ARRIVAL...** BUT I SUSPECT THE END OF THIS WAR WILL REQUIRE **VERY LITTLE** IF ANY EFFORT FROM HIS FORCES.
IN CONCLUSION...

THESE PEOPLE ARE DOOMED AND THE CONSTRUCT OF SHE-WHO-WILL-NOT-BE-NAMED WILL SOON BE COMPLETELY UNDER OUR CONTROL.
HA! HA! HA!
HA! HA! HA!
HA! HA! HA!
HA! HA! HA!
I HAVE SEEN ENOUGH.
NO MORE SHALL I WASTE TIME AMONG THIS FOUL TECHNOLOGY.

YOUR HONOR! WE HAVE DETECTED A GREAT DISTURBANCE IN THE REGION KNOWN AS AGORRIA.
THE TRACE OF A FAMILIAR ENERGY SIGNATURE PULSES BENEATH THE SURFACE OF--
WHAT IS--?!
I AM PYTHONA OF COBRA-LA! NONE SHALL STAND IN MY WAY!



WHAT IS THIS?!
HOW DARE Y--!
SWASH!
SWASH!
WHAT WAS THAT?!
PERHAPS WE ARE AT RISK OF UNDERESTIMATING OUR OPPONENTS.

AGORRIA.
YES!
FINALLY SOME GOOD NEWS!
MY SON LIVES-- AND HE HAS BROUGHT WITH HIM HIS POWERFUL ALLY!
HO, BOY!
THANKS FOR THE RIDE, SOLILA. LET'S DO THAT AGAIN... NEVER!

SO RARE THAT YOU ARE HAPPY TO SEE ME, FATHER. SHAME THE ENTIRE RING MUST BE PLUNGED INTO WAR FOR IT TO HAPPEN.
THE WAR EFFORT DOES NOT GO WELL, DARAK. WE'VE LOST MANY.
I WAS WORRIED YOU HADN'T SURVIVED.
I CAN TELL IT'S BAD OUT THERE. I WORRY I DON'T HAVE A SENSE OF HOW BAD.
OUR FORCES ARE MEETING RESISTANCE AT EVERY TURN! THESE MASSIVE CREATURES--THEY'RE MORE THAN OUR SOLDIERS CAN WITHSTAND.
THERE'S NOT A LOT OF VICTORIES TO REPORT BACK-- AND MOST PLATOONS, WELL, THEY AREN'T REPORTING BACK AT ALL.
IT'S EVEN WORSE THAN WE KNOW!
THERE HAS TO BE A WAY TO--
WAIT A MINUTE! I'VE GOT AN IDEA.
OH?
...

SKRAKOOM!!
WRAKKOOM!
RUN!!
AGORRIANS!!
ATTACK!

SKKASK!
VAP! VAP! VAP! VAP! VAP!
VOMP!

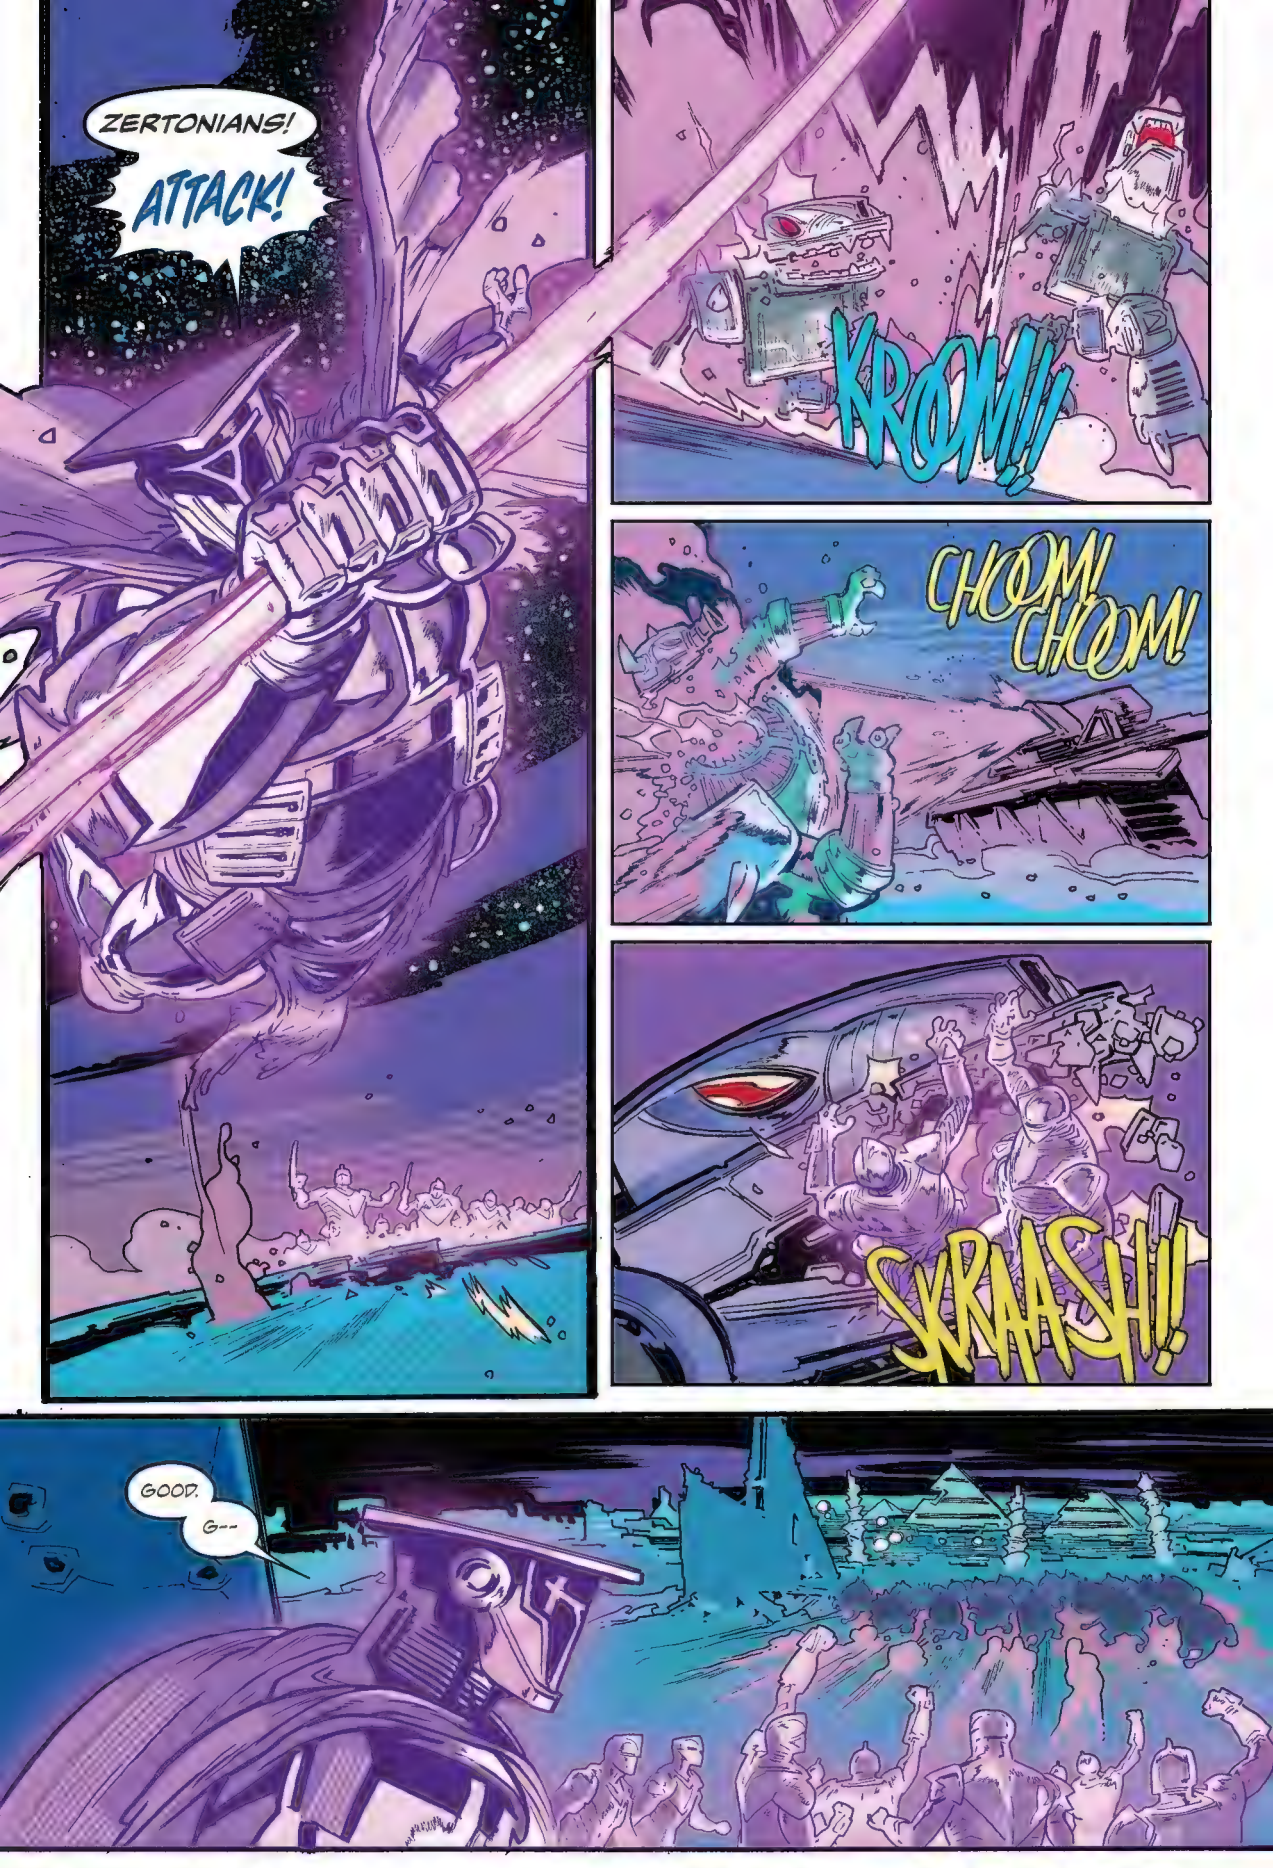
ZALILAK, OUR CONNECTION STATUS IS TENUOUS AT BEST. I ONLY HOPE THIS MESSAGE IS REACHING YOU.
THE ENERGON IS THE KEY. I KNOW YOU HAVE BEEN MINING IT, SAME AS US. IT IS MORE THAN AN ENERGY SOURCE. IT'S CONSUMABLE. APPLYING IT TO OUR GEMS WILL... SOMEHOW GIVES US A LIMITED BURST OF POWER. IT RESTORES US, HEALS US.
IT'S THE THING THAT CAN TURN THE TIDE IN THIS WAR. USE IT.
FOR THE FUTURE OF BOTH OUR PEOPLES, I PRAY THIS MESSAGE REACHES YOU.
YOU--YOU ARE NOT PERMITTED HERE!
I CAN FREELY TRAVERSE THE RING AGAIN. ZERTA HAS RESTORED MY POWERS FOR THIS CONFLICT.
I CAN DELIVER THIS MESSAGE IN PERSON.

ZERTONIA.
THEIR RANKS DON'T SEEM TO DIMINISH, NO MATTER HOW LONG WE HOLD THEM OFF!
SHRAKK!!
I DO NOT TIRE. I WILL FIGHT TO THE LAST OF THESE WRETCHED CREATURES.
DO YOU NEED TO FLEE? SHOULD I MAKE AN OPENING?
I'LL CONTINUE THIS FIGHT WITH YOUR WEARY BODY THROWN OVER MY SHOULDER LONG BEFORE I QUIT!
I AM THE FIRST CHOSEN OF--
PLEASE DON'T. I NEED NOT HEAR YOUR TITLES AGAIN.
VOMP!!
I FEAR YOUR BOAST WILL SOON BE PUT TO THE TEST.

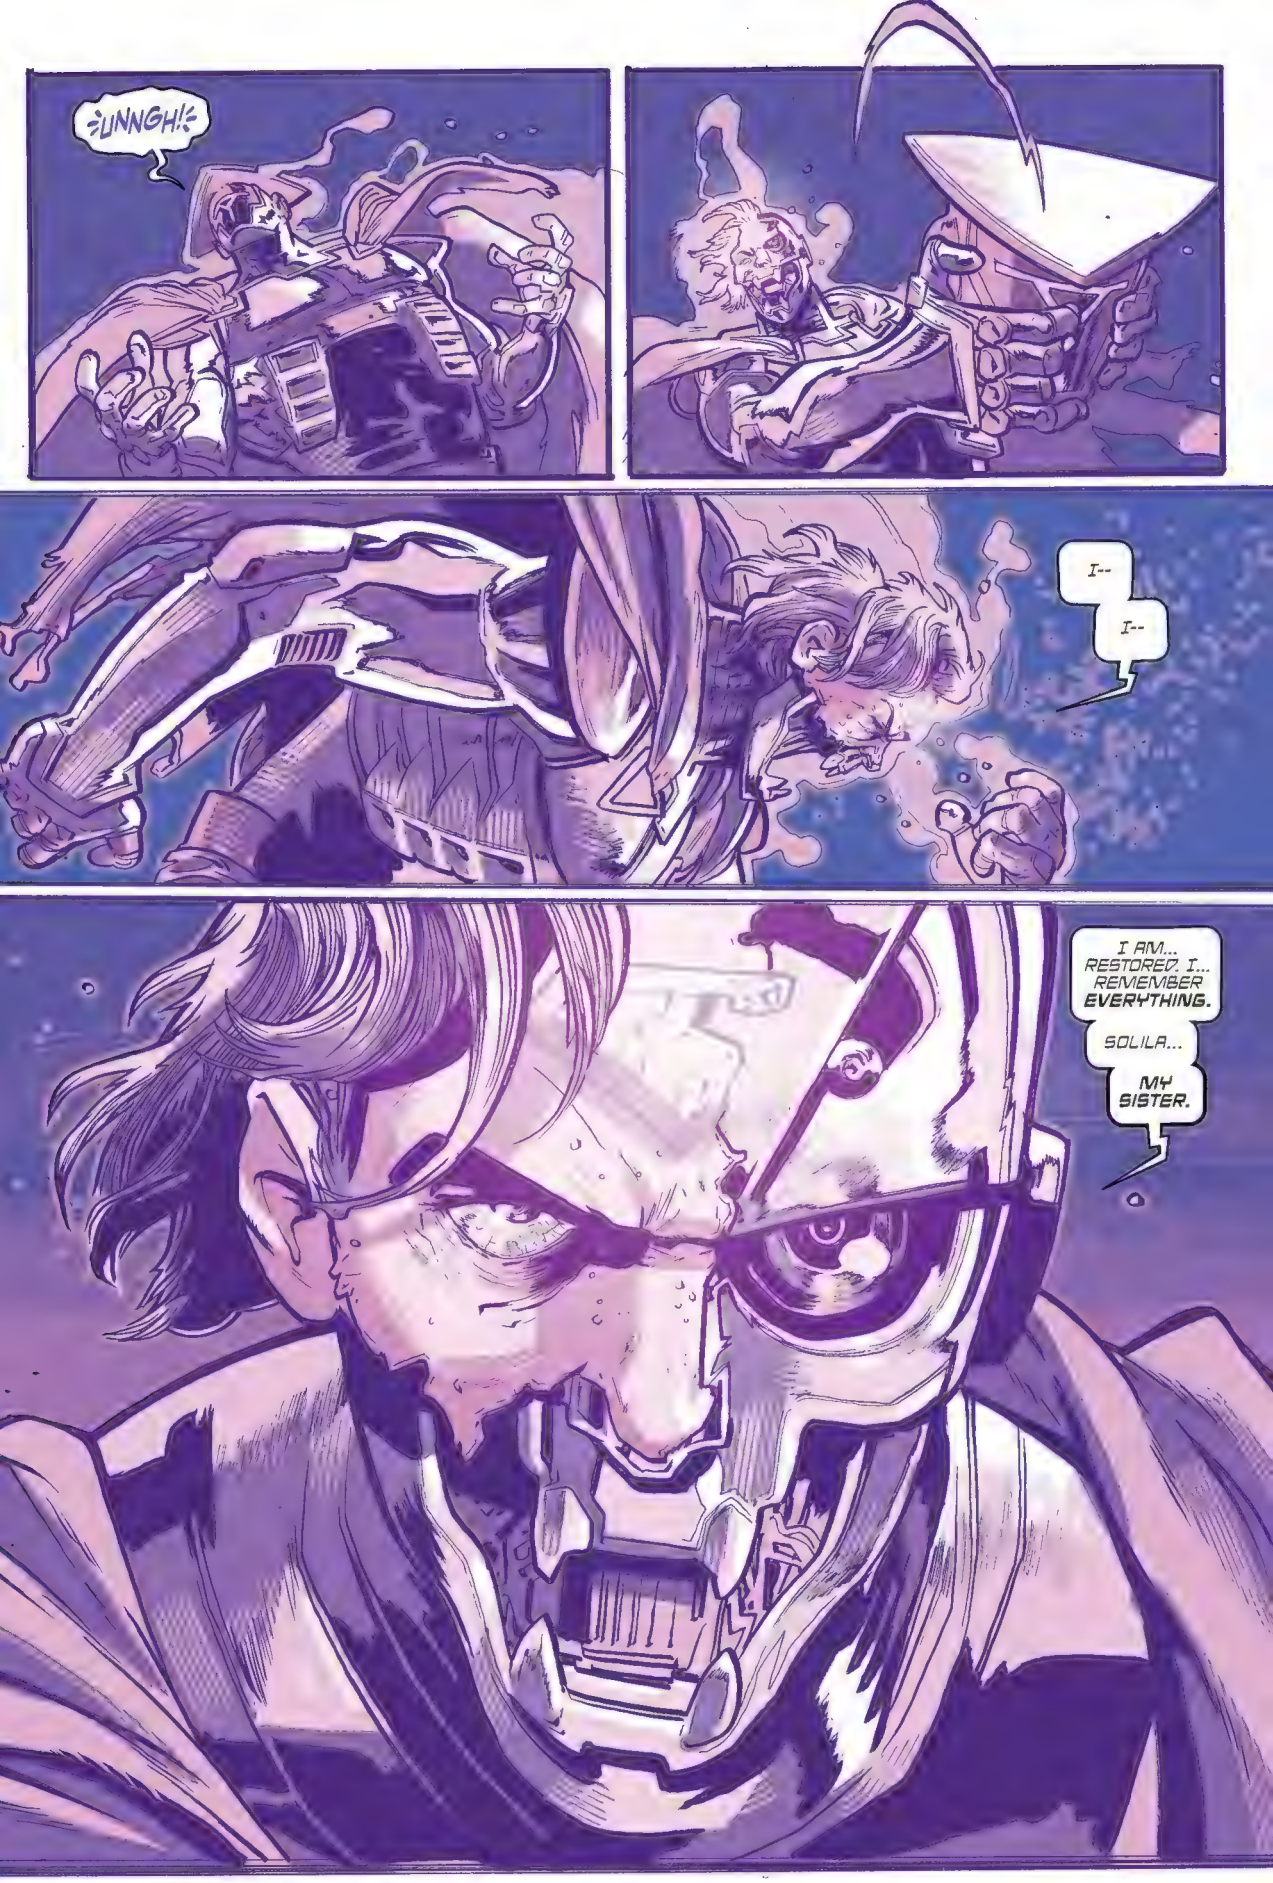
KRAKKA-
BA-
KROOM!!
SHRACKK!
WHAT--?
THE ENERGON IS THE KEY!
ZALILAK, YOU HAVE TO LISTEN TO ME. THIS IS HOW WE WIN!

WHAT IS THE MEANING OF THIS?!
JUDGE NAVEN! HAVE YOU ABANDONED YOUR SHIP?!
IT HAS BEEN DESTROYED! I BARELY MADE IT HERE.
WHAT ARE YOU SAYING?!
THESE CREATURES ARE FAR MORE DANGEROUS THAN WE SUSPECTED! LOOK WHAT THEY DID TO ME?!
WE MUST ACT QUICKLY! SEND THE ALLICONS, ACTIVATE THE BAILIFFS! READY THE EXECUTIONERS!
HOLD NOTHING IN RESERVE!
WE HAVE TO SUBDUE THEIR FORCES BEFORE IT'S TOO LATE!

VOMP!



ZERTONIANS!
ATTACK!
KRØM!!
CHOOM! CHOOM!
SKRAASH!!
GOOD.
G--



UNNGH!
I--
I--
I AM... RESTORED? I... REMEMBER EVERYTHING.
SOLILA...
MY SISTER.

TALK TO THE HANDROID

SEND YOUR QUESTIONS TO VOIDRIVALS@SKYBOUND.COM

With another badass issue in the can we're now at the halfway point of Quintesson War--welcome back to the latest edition of Talk to the Handroid with your hosts Ben Abernathy (me!) and Robert Kirkman (him!).

I'm in italics! I can't believe we're already halfway through, Ben! It seems like only yesterday you were hassling me about getting the script for issue 25 done. Oh, how time flies! Big cliffhanger moment this issue. Proximus is Solila's brother! Anyone already guess that based on the flashback in issue 8? Make sure you write in and claim credit! Y'know, speaking of being late on scripts, I'm trying to get my act together in 2026 (better late than never) so I've actually already been writing the next arc of this series, and I couldn't be more excited about what's coming up in this book. I hope you're all enjoying the war and I can't wait for you to see how it all wraps up and where it leads the story. Go ahead and start getting excited now, and that should give you enough time to get appropriately excited for what's coming later this year!

Let's dip our Handroid into the mailbag…

. . . . . .

Dear Handroid,

It has begun! The war is here and I am very excited for it. Kirkman does a great job of writing events like this, as seen in The Walking Dead. This first issue was a great start! The fight between Zalilak and Proximus was great. I was nervous that one of them would die and I was really hoping that wouldn't happen as I enjoy both of them at the moment. I really liked the conversation between Darak and his Handroid as well. Their relationship has been one of my favorite parts of this series. After that talk, I think their relationship will only get more interesting from here. Lastly, I still don't really know what to make of Zerta. Sometimes it seems like she's good and then other times she seems like a villain. I suppose that's realistic but I just don't really know how to feel about her. Did she take over Solila at the end of issue 25? If so, I can't say that I love that. She does *mostly* seem like she wants to help but I'm just not sure. I'm really excited at the potential that we will finally see Goliant but also terrified that we will see Goliant at the same time. On a more personal note, Kirkman, how are you writing so many books at once? Despite my dream to get into the comic industry as a writer someday, I don't really know if that's normal. Is it? To be writing this many books at once? It's very impressive either way. Keep it up!

Catch y'all next month.
Cason Jones

Great to hear from you, Cason, and I'm glad you're enjoying the arc so far!

Cason! Just call me the Dan Mora of writing comics! All joking aside, I think it's completely normal for a comic writer to write three comics a month. Which is ACTUALLY what I'm doing. VOID RIVALS, TRANSFORMERS and INVINCIBLE UNIVERSE: BATTLE BEAST are the only books on my schedule right now. Both David Finch and myself have been done with SKINBREAKER for almost a year. I've also got THE WALKING DEAD DELUXE and CAPES, which are reprints of old work. And while I helped create BLOOD & THUNDER, the actual work on that comic is done by the esteemed Benito Cereno and E.J. Su! So it looks like I'm doing a lot more than I'm actually doing. All that said, I am doing all this while co-showrunning and writing the Invincible TV show, too…and that does actually take up the bulk of my time. So how do I do that? Well…my kids got old so I have fewer family obligations for nights and weekends, and I've filled that time with more work! More glorious work!

. . . . . .

As excited as I am for the Quintesson War, I was disappointed at the lack of Skuxxoid-on-Skuxxoid action in #25! I hope we don't go the whole arc without checking in on my favorite intergalactic bounty hunter!

Cheers,
Paul Wedding

Thank you for the letter, Paul. Sorry for the lack of Skuxxoid in the issue but have no fear--we have big plans for that guy!

Paul, I don't feel the need to be coy in these letters columns. I hate to break it to you, but your worst fears are being realized. The Quintesson War is SO BIG and honestly, I was worried Skuxxoid was going to take over this book. (Still am!) So you're going to have to wait all the way to issue 31 to get more Skuxxoid. BUT…after that, I promise he'll go back to being a reoccurring feature in this series.

. . . . . .

Before I begin, congrats on making such a fantastic universe that doesn't force

you to read every series (but don't worry, I do). So, I'm a huge fan of Proximus, he's just so tubular, but I need more of him! When are we going to truly learn more about him, because what about the old theory of Proximus being Solila's brother?! Who am I kidding, I just want more Proximus; I love purple btw. To be honest, issues 13 - 18 were pretty boring for me and my pop. We felt like things were just kinda going nowhere. With that said, from issue 19, things have been back on track for me and dad. And NO! It isn't just the action that makes the comic good, IT'S SKUXXIOD! Ok seriously, what makes a great comic is to see development, and that's what I'm seeing with volume 4. Can't wait to read issue 24, and congrats again to Wooton, Delpeche, Hughes, and Kirkman for continuing an amazing series that got me into collecting floppies!
One more thing, what's up with Zerta Trion, is she good, bad, or in the grey area?

An Energon Enjoyer,
Alden T.

We appreciate the letter, Alden, and if you've read this issue…I think you have your answer about the relationship between Proximus and Solila!

Wow! What a timely letter! Everyone is worried about Zerta Trion! Don't worry… she's not evil, I promise. But…that doesn't mean she will always have the people of the Sacred Ring's best interests at the front of her priorities (if ever!).

. . . . . .

Dear Handroid (and the AWESOME creative team),

Mega Void Rivals fan here to broadcast my FIRST letter ever! I've been re-reading the series in preparation of the HIGHLY anticipated Quintesson War and I'm reminded of why I like the series so much and it makes me super excited for the upcoming event and future story arcs that you're cooking up in the writer's room! For now, I have just one question for you concerning your user, Darak: could he ever get some cool equipment like a jetpack? I can only imagine how awesome Darak would look sporting a jetpack and the possibilities for traversal and combat would be EPIC.

Til next time, Handroid. Assist Darak with all your might during the Quintesson War!!!
Dan Rueda

Congratulations, Dan, on your FIRST printed letter! And I think Darak with a jetpack would be pretty sick and, really, who knows what the future holds for added tech?!

Y'know, now that I think about it, the likelihood of Darak getting a jetpack is SO high that it's ridiculous that he hasn't had one already. Stay tuned!

. . . . . .

Dear Mr Handroid,

Love the work the team has been putting together on Void Rivals, and the whole Energon Universe. I have not collected comics for 30 years, but since issue #1 of Void Rivals I have not missed an issue of any of the Energon Universe properties. So, thanks for creating something that inspires me to head down to the local comic shop. (Shout out to All Star Comics in Melbourne Australia. Awesome comic shop!) I have just finished reading issue #24 and boy oh boy, my expectations have been subverted big time from issue #23! One minute I think Zerta Trion is one of the good guys, the next minute, she is one of the bad guys and then back to good again...I am not sure what is happening and I love it! I am feeling the same about unification between the Agorrians and Zertonians is it a good thing? In reality is it bad? I appreciate the uncertainty! And who or what is Goliant? Have to say that giant hand is reminiscent of Unicron! The mystery deepens and I am happy to wait in anticipation for all to be revealed! Anyway, bring on the Quintesson War! Can't wait to see what happens

Keep up the great work Void Rivals team. Your creativity brings much joy!
Tyron Barker

Thank you for reading and writing in, Tyron, and I'm so glad you appreciate all the hard work going into making the Energon Universe hum along like it does. It takes a lot of really creative people putting in a lot of hours!

Thanks for writing in, Tyron! Great to hear you're enjoying things. More about Goliant will be revealed eventually, just keep reading. And reminiscent of Unicron you say? I don't see it! The color isn't even remotely similar!

. . . . . .

Dear Handroid,

I gotta say, Void Rivals Volume 4 was extremely phenomenal. Issues 19-24 were all back-to-back great. The dial has been turned up so much that I am really excited about what is coming up! There are so many cool characters ranging from the Agorrians to Zertonians to Transformers to G.I. Joe and who knows where else we go. The issue covers in this volume have all been really great as well and I would just love to see all of these characters in one cover just to get a sense of how crazy and big this series really is. I'm really looking forward to an even more insane Volume 5 and what's beyond.

Keep up the great work!
Anderson

Thank you, Anderson, for the kind words…I hope you're digging the Quintesson War!

Thanks, Anderson! We really are having the times of our lives here at VOID RIVALS central! We've got a lot in store for you for volume 5 and beyond, for sure!

. . . . . .

And that's a wrap, folks! See you in 30 days!

-Ben

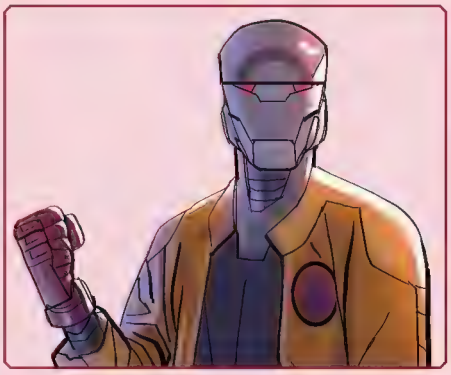
Yes! 30 days! Just you wait! It's time for the coming of the TRIBUNAL!! Oh, boy!

-Robert

ENERGON EXPERIENCE

The Sacred Ring strikes back! Springer realized the crystals in the foreheads of the Agorrians and Zertonians were Energon ports waaaay back in VOID RIVALS #10...so it's pretty ironic that the weaponized ingestion of Energon would now allow them to fight back against the Quintessons, the ancient enemies of Cybertron! It could turn the tide of the war!

-Ben Abernathy, Executive Editor



CHARACTER SPOTLIGHT

WHO: Darak

WHERE: A legendary pilot and heir to rule Agorria.

WHAT: Darak is the son of revered Agorrian leader, Dulin, and is the most decorated fighter pilot in Agorrian history. His friendship with Zertonian warrior Solila, however, might be the real Unity their civilization needs to survive!

COBRA-LA-LA-LA-LA-SSAULT!

Pythona might be the secret weapon that the Sacred Ring needs to survive the Quintesson invasion...she'll have her work cut out for her while hiding on a Quintesson ship, but with her cunning and sharp claws, she could be the unsung hero of this war!

CREATOR SPOTLIGHT

Q: This month we ask editor Ben Abernathy the most important question of all...who would be your best friend and worst enemy in VOID RIVALS?

A: Hmm...I think Handroid would be my best friend (is that sad?) and worst enemy? Hmm...I think it would have to be Goliant!
